

A Message From the Executive Director

Brenda Butscher

Spring is here, grass is green, flowers are beautiful and our winter was great. Our staff did very well getting out to care for our patients.

Our good friend, Senator George Edwards recently received a wonderful award and shared it with Hospice. George has been a volunteer

with Hospice Jail N' Bail for nearly 25 years. He brings in a lot of money each year. Some people pay money to get him out of jail but many pay to keep him in jail. Everyone has a lot of fun.

Recently I received a letter from the Speaker's Society in Annapolis, MD. Each year the Speaker's Society, an organization of past and present House of Delegates members, presents the Thomas Kennedy Award to a former House member in recognition of personal courage and dedication to the principles of liberty and freedom. This year's award was presented to Senator George C. Edwards.

A donation is made in honor of the Kennedy award recipient, and Senator Edwards has designated that this year's donation be made to Hospice of Garrett County. A check in the amount of \$1000 in honor of the Speaker's Society's 2012 Thomas Kennedy Award recipient, the Honorable George C. Edwards, was received by us. How great is that? Many, many thanks to Senator George Edwards.

Today we have 23 patients: 13 women and 10 men. The youngest is 48 and the oldest is 98. We have 10 in Oakland, two in Swanton, two in Grantsville, five in Mtn. Lake Park, one in Accident, one in Kitzmiller, one in Friendsville and one in McHenry. One Alzheimer's, one Pancoast Tumor, five E/S COPD, one advanced Dementia, three General Decline, two E/S CHF, one throat cancer, one severe E/S Dementia, one E/S Al-

zheimer's, one Pick's Disease, one E/S Diastolic heart failure, one presumed lung cancer, one Chronic Cardiomyopathy with CHF, one E/S bladder cancer, one Adenocarcinoma of colon and one Hepatic Metastatic Disease.

As you can see, we serve all of Garrett County, any age and any terminal illness. The primary physicians of those patients are Dr. Buckingham, Dr. Kaiser, Dr. Richter, Dr. Miller, Dr. Goralski, Dr. Johnson, Dr. Platt, Danny Moon and Carolyn Scheaffer.

Love You!

*Around the corner I have a friend,
 In this great city that has no end,
 Yet the days go by and weeks rush on,
 And before I know it, a year is gone.*

*And I never see my old friend's face,
 For life is a swift and terrible race,
 He knows I like him just as well,
 As in the days when I rang his bell.*

*And he rang mine but we were younger then,
 And now we are busy, tired men.
 Tired of playing a foolish game,
 Tired of trying to make a name.*

*'Tomorrow' I say, 'I will call on Jim
 Just to show that I'm thinking of him.'
 But tomorrow comes and tomorrow goes,
 And distance between us grows and grows.*

*Around the corner, yet miles away,
 'Here's a telegram sir,' Jim died today.'
 And that's what we get and deserve in the end.
 Around the corner, a vanished friend.*

Remember to always say what you mean. If you love someone, TELL them. Because when you decide that it is the right time, it might be too late...

*Seize the day
 Never have regrets
 And most importantly,
 Stay close to your friends and family,
 For they have helped make you the person
 that you are today.*

Rewarding Comments From Hospice Families

Thank you for all you do for the county.

We want to thank everyone at Hospice for your care and consideration throughout the illness and loss of my mother. Your services enabled us to fulfill her wish of staying at home. Thank you all for everything.

We feel very lucky to have you in our community. Thank you for all you do! Santa Fe Grille Staff and Management

The volunteers who sat with us round the clock were "angels." They were supporting and most comforting. Very much appreciated and we couldn't have done it without them.

We offer this contribution in remembrance of my friend and also in recognition of the care and comfort that Hospice offers.

Staff & Volunteers, I truly believe they did excellent care. They gave me peace of mind when sometimes I felt like I was losing it. I do recommend them to others. Keep up the food work.

Dear Ms. Butscher, This month it will be seven years since my mother's death. As her daughter, I can attest to the wonderful service Hospice offers to patients and their families. Mother would never have been able to stay in her home as long as she did without Hospice care. I am sending this memorial donation so you can help others in need of your services and to again say "thank you."

To all of the wonderful staff at Hospice, Just a special note of thanks to all of you for your help and support and love that you showed to us during the illness and difficult loss of our loved one. Without you we would not have been able to keep him at home during his final days. You all have a special place in our hearts and our prayers are with you all. Thank you so much.

Everything went well and we still know they still think of us and I'm pleased with everything.

Bereavement Comment From Hospice Families

My Dad missed my mom a lot after she went home to be with the Lord. But he has always found his strength in Christ Jesus, we thank you for all your kindness and we appreciate all of your efforts to comfort him. My sisters and I have been with him every day. But we know that there are many out there who have not been as blessed as my Father. So we feel this program is very much needed and can bring a lot of comfort to many souls. We pray that the good Lord will bless you in all you set out to do. We pray blessings on all of the employees and the volunteers. Thank you.

God's Wife

There was an author who once talked about a contest he was asked to judge. The purpose of the contest was to find the most caring child.

The winner was:

1. A four year old child, whose next door neighbor was an elderly gentleman, who had recently lost his wife. Upon seeing the man cry, the little boy went into the old gentleman's yard, climbed onto his lap, and just sat there. When his mother asked him what he had said to the neighbor, the little boy just said, "Nothing, I just helped him cry."
2. Teacher Ms. Moon's first graders were discussing a picture of a family. One little boy in the picture had a different hair color than the other members. One of her students suggested that he was adopted. A little girl said, "I know all about adoption, I was adopted..." "What does it mean to be adopted?" asked another child. "It means, said the girl, "that you grew in your mommy's heart instead of her tummy."
3. On my way home one day, I stopped to watch a Little League baseball game that was being played in a park near my home. As I sat down behind the bench on the first base line, I asked one of the boys what the score was. "We're behind 14 to nothing," he answered with a smile. "Really," I said, "I have to say you don't look very discouraged." "Discouraged?", the boy asked with a puzzled look on his face... "Why should we be discouraged? We haven't been up to bat yet."
4. Whenever I'm disappointed with my spot in life, I stop and think about little Jamie Scott. Jamie was trying out for a part in the school play. His mother told me that he'd set his heart on being in it, though she feared he would not be chosen. On the day the parts were awarded, I went with her to collect him after school. Jamie rushed up to her, eyes shining with pride and excitement. "Guess what, Mom," he shouted, and then said those words that will remain a lesson to me... "I've been chosen to clap and cheer."

5. An eye witness account from New York City, on a cold day in December, some years ago: A little boy, about 10 years old, was standing before a shoe store on the roadway, barefooted, peering through the window and shivering with cold. A lady approached the young boy and said, "My, but you're in such deep thought staring in that window!" "I was asking God to give me a pair of shoes," was the boy's reply. The lady took him by the hand, went into the store and asked the clerk to get half a dozen pairs of socks for the boy. She then asked if he could give her a basin of water and a towel. He quickly brought them to her. She took the little fellow to the back part of the store and removing her gloves, knelt down, washed his little feet and dried them with the towel. By this time, the clerk had returned with the socks. Placing a pair upon the boy's feet, she purchased him a pair of shoes. She tied up the remaining pairs of socks and gave them to him. She patted him on the head and said, "No doubt, you will be more comfortable now." As she turned to go, the astonished kid caught her by the hand and looking up into her face, with tears in his eyes, asked her. "Are you God's wife?"

** This is for...ALL WHO LOVE AND CARE FOR CHILDREN. Hope this put a smile on your face as it did mine.

Ziploc Omelets

An easier, cleaner way to make omelets! It really works!

Each guest put in his/her omelet what they want. (Cheese, ham, peppers, tomatoes, bacon, etc.)

This works great! Good for when you're alone or when all your family is together. The best feature is that no one has to wait for their special omelet. Have the guests write their name on a quart size Ziploc freezer bag with a permanent marker.

1. Crack 2 eggs into the quart size Ziploc bag (not more than 2) shake to combine them.
2. Put out a variety of ingredients such as: cheeses, ham, onions, green peppers, tomatoes, hash browns, bacon, salsa, etc.
3. Each guest adds prepared ingredients of choice to their bag and shakes the bag to mix them well.
4. Make sure to get the air out of the bag and zip it up.
5. Place the bags into rolling, boiling water for exactly 13 minutes. You can usually cook 6-8 omelets in a large pot. If you have more omelets make another pot of boiling water.
6. Cut the bags and the omelet will roll out easily. Be prepared for everyone to be amazed.
7. Nice to serve with fresh fruit and coffee cake; everyone gets involved in the process and it becomes a great conversation piece.

Imagine having these ready the night before, and putting the bag in boiling water while you get ready. And in just 13 minutes you have a nice omelet for a quick breakfast.
